RE: Modrá linka membership application

Dear Mr Ptáček,
Dear Mrs Zárubová,

with pleasure I inform you that the International Committee of IFOTES in its last meeting held on April 17th 2010 has positively evaluated the request of membership from Modrá linka and the documentation you provided.

I am consequently pleased to confirm that **Modrá linka is accepted as associated member**, with the related rights and duties with immediate effect.

According to IFOTES rules of procedure, the decision will be ratified at the next IFOTES General Assembly, which will be held in Vienna in July 2010, on the occasion of the next International IFOTES Congress. In the first session on July 12th 2010 you are invited to present your association. The ratification will be confirmed by vote on July 13th.

Modrá linka will be listed as associated member on the IFOTES Website www.ifotes.org and you will receive all the regular information provided to associated members.

I am happy of this positive outcome and of the new cooperation we are going to start.

Please do not hesitate to contact me should you have any queries or need of further information.

With best regards
IFOTES Director
Diana Rucli
